

Spring Maintenance Checklist

My List:

To Do:

- Restock first aid and emergency preparedness kits
- Have AC unit serviced by an HVAC professional
- Check exterior drainage
- Clear gutters and downspouts
- Trim and prune trees, plants and shrubs around yard and AC unit
- Make sure power lines are unobstructed
- Inspect roofing
- Remove insulation from outdoor water faucets
- Examine lawn sprinkler system
- Fix or replace window screens and door screens
- Inspect and clean chimney
- Reverse ceiling fans counter-clockwise
