

# Guess That Tool

Guess the tools using the clues provided below.

1

With numbers on all of my sides,  
I'm used to measure how long and how wide.

---

5

I'm used to break things and hit nails on the head,  
you might even use me when building a shed.

---

2

Turn me to the left and the screw is out of sight,  
turn me to the right and everything is tight.

---

6

My main use is for cutting wire,  
some people may call me a plier.

---

3

I come in many different types,  
and I can be used to tighten up things like bolts and pipes.

---

7

Smoothing and polishing are what I do best,  
with wood, plastic, or metal, my grit puts me to the test.

---

4

I have a handle and a long pointy nose  
to grip and bend wires when they're exposed.

---

8

If you move me back and forth,  
you'll cut through wood with brute force.
